FOREWORD

The Toledo Federation of Art Societies welcomes you to the 51st Annual Exhibition. Last year we celebrated the Federation's first half-century of existence. A great many things have been accomplished within the last fifty years, not only in the excellence of the work presented, but in the mechanics of the Federation itself. It would be impossible to overestimate the importance of the pioneer work of those artists and Federation leaders who have labored so many years to make a show like this one a possibility.

We are looking forward to a much greater change in the next fifty years: greater creativeness from the artists themselves and a greater interest in all the arts in the community. As evidence of continuing growth, we welcome the Port Clinton Artists' Club as a new member of the Federation.

The Federation is deeply indebted to the Director of the Toledo Museum of Art, Mr. Otto Wittmann; to Mr. Rudolf Riefstahl and the Museum staff; to the Federation Committees for their faithful work; and to our many friends and patrons.

Most of the works of art are for sale. Your homes and offices may be enriched by the many talents found in this area.

Ernest W. Spring, President
Toledo Federation of Art Societies
